Ask the taxi driver for Yashow market (雅秀市场) which is a big 5 storey building with the name 'Yashow' clearly written on top. Walk to the DVD shop on the left hand side (opposite Tigris Coffee) and then go through the gate, carry on for 50m and on your left is the Koryo Tours building – you will see our logo. Give us a ring on the door and welcome!

The nearest subway stops are Dongsishitiao (20 min walk) and Tuanjiehu (10 min walk)
