

## Summer Budget Tour

### TOUR

June 12<sup>th</sup> – 16<sup>th</sup> 2023

4 nights in North Korea + Beijing-Pyongyang travel time

### OVERVIEW

Our North Korea Summer Budget Tour falls after the Tano Festival ('Dragon Boat Festival' in China), which marks the end of the planting season and the start of summer in North Korea. The pleasant scenery and warm weather of June traditionally made this the time for outdoor activities and festivals since ancient times.

This is an introductory trip to Korea for the frugal traveller in search of adventure, offering a no-frills alternative to our more advanced tours offers a great way to see a tightly edited package of the country's most interesting sights, including a city tour of [Pyongyang](#) and a visit to the [DMZ](#), where North and South Korea continue their decades-old face-off.

You'll also visit the port town of [Nampo](#) and the [West Sea Barrage](#), an engineering megaproject at the mouth of the Taedong River.
