

Summer Budget Tour + Northeast Adventure Extension

TOUR

June 12th – 19th 2023

8 nights in North Korea + Beijing-Pyongyang travel time

OVERVIEW

Our North Korea Summer Budget Tour falls after the Tano Festival ('Dragon Boat Festival' in China), which marks the end of the planting season and the start of summer in North Korea. The pleasant scenery and warm weather of June traditionally made this the time for outdoor activities and festivals since ancient times.

This is an introductory trip to Korea for the frugal traveller in search of adventure, offering a no-frills alternative to our more advanced tours offers a great way to see a tightly edited package of the country's most interesting sights, including a city tour of [Pyongyang](#) and a visit to the [DMZ](#), where North and South Korea continue their decades-old face-off.

As well as visiting the port town of [Nampo](#) this weeklong budget tour takes you to one of the least explored areas of North Korea - the [Northeast](#).

Experience an Air Koryo internal flight as we travel North to enjoy a local health spa, and experience a home-stay in North Korea. See the beautiful landscapes of [Mt.Chilbo](#), visit [Chongjin](#) city, and take a local train from North Korea back to China. You can't get much more off the beaten path than this!
